

Delivering a World of Panel Options

Introducing New Duramine Debut Series Designs

Inspired and created by the finest designers in Europe, Roseburg's new 2011 thermally fused melamine (TFM) Debut Designs represent the most current trends in TFM design and color.

Our **Twilight, Acorn, Evening and Tierra Linea** designs provide timeless beauty with linear patterns that incorporate shades of color that fit virtually any residential and commercial application. Their design fits 40's era, art deco, modern and traditional interiors, making them exciting TFMs that are sure to be an instant hit with architects and designers. **Auburn Mahogany** is a fresh new look at mahogany with deep rich red-brown ribbon striping, enhanced color play accented with subtle cross-fire figure. The design will work perfectly in residential, commercial and store fixture applications.
